

# What was old is new again!

The "vintage" Charleston is a reproduction of one of the original shuffleboard tables built in the 1940's.

*The details include rich textures like:*

- *Stainless Steel* - runners down the legs draw attention to the beauty of the maple wood legs
- *Mirror Accents* - a cool art deco touch that brings the 1940's to your gameroom.
- *Fine Wood* - the cradle is built with beautiful maple wood.
- *This Art-Deco* design screams cool! Making it a show piece in any gameroom.

And of course, the playfield is a Champion Shuffleboard playfield and is the best the game offers.
