

Italian Inspired with a Dramatic
Sense of Style!

THE WORTHINGTON

The Worthington shuffleboard table is in a class by itself. With hints of an Italian Gothic style the Worthington cabinet captures your attention with the richness of colors like aged black and deep cherry and the strong classical influence of Italy. The quality and craftsmanship endures over time and this sense of style gains character with age and use.

The playfield remains the cornerstone of any Champion Shuffleboard table with a polymer playing surface that never needs refinishing.
